Rhonda moved from Maine to Connecticut in 1973. She came to Connecticut in hopes of achieving new dreams. Rhonda resides with her husband of thirty seven years in Cromwell, Connecticut. After working in a variety of fields, Rhonda embraced the real estate field with open arms.

Forty years later, she has become more than a Real Estate Agent. Throughout these years, she has been the recipient of many Top Producer Awards. In 1997, Rhonda joined Dynamic Directions as an Instructor for Principles & Practices of Real Estate, as well as for the Right Start Program. It was during this time that she became the Head Instructor. Rhonda again began to expand her career in 2000. She became certified as a Continuing Ed Instructor for the State of Connecticut and a trainer for the National Association of Realtors.

Rhonda was the 2019 Chairperson for RPAC. She has been on several committees and the BOD for her local Board and CT State Board.

Not only a Real Estate Agent, Rhonda has been a Girl Scout Leader for many years and a Sunday School & Confirmation teacher. She has done volunteer work for many organizations including Hospice, Cromwell Junior Women, Walk Against Hunger, Habitat for Humanities, Children Miracle Network and many more.

Rhonda's true gift for teaching stems from her passion for the real estate profession. Her innate talent as a leader provides the opportunity for her to be the "go to" person in and out of the office. Rhonda is a natural at teaching and derives a great joy and satisfaction from the job. Her goal is to help others "work smarter not harder". She leaves no one behind!
